

Pride Poster

This is your opportunity to show the class who you are!

As we read *The Laramie Project* you will create a small poster full of information about yourself.

Be creative in how you put your poster together. This isn't art class, but posters should still reflect that time and thought were taken to complete the assignment.

Follow these requirements to accurately complete the project:

- Create an All about Me Poster
 - Include your name
- 15 items to represent yourself
- Mix these up between:
 - Hand drawn images / Magazine cut-outs / Words
 - A short essay should be written or attached to the back. The essay should explain more about a quality you chose to share on your poster.
 - This essay is a way for you to add more detail about what really makes you tick!
 - Ex: Describe why this trait/quality is important to you.
 - Ex: Show evidence to “prove” this is who you really are as an individual.
 - One picture of yourself now and/or a picture of you as a child

You will have class time to work on this – but you will need to take it home as well!
